

LEVEL UP LEADERSHIP PROGRAM

The impact one leader can have on the lives of others is incredible! And humbling. What is the impact you're having on your team or sphere of influence? Is it time to Level Up your leadership?

RAW TALENT

- Reacts Today's Problems
- Needs Support
- Desires Development and a path for growth

LEVEL UP LEADERS ARE

- Proactive and Solutions Focused
- Self aware & others focused
- Intentional about their own development

Level Up Leadership is designed to quickly scale your growth through Strengths-based curriculum with a cohort of non-competing peers, a custom development plan and expert coaching.

Managers new in role or who haven't yet focused on developing leadership skills

Leaders expanding their team, responsibilities, or influence

Future Leaders preparing for growth or succession opportunities

3 Development Keys over a 10 Month Journey

**3-5 Hours
Per Month**

MONTHS 1-2

Create Custom Leadership Roadmap

MONTHS 3 - 9

**Learning Journey:
monthly learning virtual sessions**

MONTH 10

**Leader Reflections,
Update Roadmap,
Debrief**

CUSTOM LEADERSHIP ROADMAP

We'll work with the you and your manager to create a strength-based leadership development plan that lays out 1 year actions and 3 year goals to develop leadership strengths and gain needed skillsets.

LEARNING JOURNEY

Join a cohort of 8 non-competing peers for monthly development sessions with engaging content and growth activities to level up the leadership skills needed to be successful. Learn in a virtual and collaborative environment. Curriculum based on the 7 Gallup Leadership Competencies.

INDIVIDUAL MONTHLY COACHING

Meet monthly to review roadmap goals, discuss how to leverage your unique talents for success and identify progress made. Monthly 1:1 strengths based coaching with a certified coach, provides a framework for reflection, learning, growth and accountability.

Learning Journey will cover a different Leadership Competency each month
